

Having your senior picture taken this summer?

These are the requirements for Mason High School's yearbook photos:

- You must deliver one photo to the yearbook adviser by October 31, 2016.
- Can be a high resolution .jpg sent to bryant@eriemason.k12.mi.us – subject senior picture, please.
- Old Master Background with high backlight, but no backlit hair.
- Head size must be one inch from hairline to chin.
- Head and shoulder photos only - no hands in photo.
- No Hats, bandanas, etc.
- Long sleeves preferred.
- **SCHOOL DRESS CODE APPLIES.**

At this point, Mason High School does not have a preferred studio. For the past several years, we have had a studio gift composite photos to the school, and to each student photographed. This year, unfortunately, those decisions have not yet been made. Please, watch the school website and your mail over the summer for any further information about senior pictures. Thank you.

Questions and concerns can be sent to Heather Bryant at bryant@eriemason.k12.mi.us.
