NEW BUSINESS

Restorative Justice Coordinator

-Mr. Shaw updated the progress on the candidate search for this position. It was also explained that the best way to pay for this position is being researched. Only time spent with At-Risk students can be paid for out of 31A. The rest will come from the General Fund.

Athletic Coach Pay Scale and Coaching List

-Mr. Shaw presented the coach pay scale and coaching list and discussed that clarification of the scale needs to be done. Assistant coaches especially need to be clarified. A complete easy to understand pay scale needs to be implemented to insure consistency going forward. Positions, rates and recommendations were discussed.

Athletic Contest Game Management

-Mr. Shaw reported that we have approximately 97 home game events in a year. Not all events can be covered by one of the administrators. Mr. Shaw proposed creating a list of persons that would like to manage games during these times. A budget would be created to pay these people on the night they work to manage a game. A list of responsibilities would be created for the game manager. Game management rate of pay is \$50 per night. The middle school has \$300 budget and the high school has a \$600 budget.

Substitute Teacher Rates

-Mr. Shaw reported that an increase of ten dollars a day in substitute teacher pay has been proposed for the districts in the county.

Swim Platform

-Mr. Shaw reported that swim would like to put a permanent platform in to replace the one that had to be taken out. Mr. Shaw is going to speak with Emily Russeau about what type of material it should be. The proposed platform has a slightly different location and has one entrance instead of two. There will also be access underneath so that it can be cleaned.

OLD BUSINESS

-Two parts of the plan were addressed in new business. Each month it will be the goal to bring one or two items to be addressed in the plan.
