Dear Parents and Community Members:

We are pleased to present you with the Annual Education Report (AER) which provides key information on the 2017-18 educational progress for the Mason Senior High School. The AER addresses the complex reporting information required by federal and state laws. The school's report contains information about student assessment, accountability, and teacher quality. If you have any questions about the AER, please contact Mr. Brandon Bates at 734-848-9304 for assistance.

The AER is available for you to review electronically by visiting the following web site <http://bit.ly/2Io2Lca> or you may review a copy in the main office at your child's school.

For the 2017-18 school year, schools were identified using definitions and labels as required in the Every Student Succeeds Act (ESSA). A Targeted Support and Improvement (TSI) school is one that has at least one underperforming student subgroup. An Additional Targeted Support (ATS) school is one that has three or more underperforming student subgroups. A Comprehensive Support and Improvement (CSI) school is one whose performance is in the lowest 5% of all schools in the state or has a graduation rate at or below 67%. Some schools are not identified with any of these labels. In these cases, no label is given.

* Note TSI and ATS definitions were changed for the 2018-19 school year per federal requirements. The new definitions are:

TSI – The school has at least one subgroup performing in the bottom 25% within each applicable accountability index component.

ATS – The school has met the criteria for TSI identification and has at least one subgroup performing at the same level as a CSI school.

Our key challenge is to close the achievement gap for our lowest 30% of all students across all content areas. We are progress monitoring more frequently, identifying students at risk of failure, and adjusting teaching and learning to meet the diversified needs of all learners. We are continuously planning and teaching and learning strategies to assist this population as well as all students.

State law requires that we also report additional information:

- Students are assigned to Mason Senior High School based on academic promotion as an eligible student in the Mason Consolidated School District.
- The current Mason Senior High School Improvement Plan continues to be built and managed based on student performance data, staff performance data, and local, state, and federal requirements. On-going and frequent review of the plan is a necessary component of this process.
- Students are selected for inclusion in specialized schools either through self-nomination, teacher recommendation, or placed by recommendation of an Individualized Education Planning Committee. The purpose of these programs is to provide additional learning opportunities to the regular Mason Curriculum.
- Implementation of the Mason Senior High School core curriculum varies as the State and Federal requirements change, student performance data is reviewed, and student needs evolve. Continual evaluation of these expectations is the guiding factor in revisions to the delivery and assessment of core content. All curricula meet requirements of the Michigan Merit Curriculum, content expectations, and Common Core State Standards (CCSS). Core curriculum course descriptions can be found in the High School Course Description Guide located on the Mason District website. Core course outlines are available in the High School office upon request.
