

7th Annual Race for the Kids

Throughout the 6 years that our organization has held The Race for the Kids, we have been able to help 9 different families through medical and financial struggles. Because of your support, this race has become a great success. Come join us Saturday, May 18th at St. Joseph's School in Erie for a 5K run/family walk through Erie. All proceeds will be used to help local families with

children who are suffering from severe or life threatening medical issues. The cost is \$25 each or \$75 for a family of up to 5 people. This event will be from 8am-11am. It will have fun activities for people of all ages (moonwalk, face painting, cardio drumming, silent auction, raffles and snacks). Come join us for a great day that will help benefit a wonderful community cause. More information is available at www.erie5k.net or at our Facebook Page Race for the Kids.
